## **Have fun and make new friends at the FANS Network in-person & online activities!**

The Fans Network is an inclusive club supported by the Tuscarawas County Board of Developmental Disabilities (TuscBDD). This club hosts activities and events in the community and unites people with and without disabilities. We invite all people to come make new friends and have fun at our free events.

- **FANS BOOK CLUB:** Get ready to spice up your social life! Join the Book Club and dive into the juicy details of your favorite reads! Whether you're into romance or mystery, we've got you covered. You can join us either online, where we'll connect on Zoom, or in-person at the Dover Public Library - the choice is yours!
- **FANS GAME TIME:** Bring your game face and get ready to rumble with our Game Time events! From card games to scavenger hunts, we have something for everyone. You can join us either online or in-person at the Dover Public Library.
- **FANS MOVIE TIME:** Grab some popcorn and get comfy because Movie Time is here! We'll watch a movie together online via Zoom, so you can enjoy the show from the comfort of your own couch.
- **FANS WALKING CLUB:** Join our Walking Club and stay in shape while having a blast! Meet us at the food court in New Towne Mall, and we'll keep track of your laps. We'll even throw in an exciting seasonal scavenger hunt to keep things interesting.

**Do you have an idea for a FANS event? Let us know by emailing us your ideas. We love to hear what you are thinking.**
