Starlight Preschool Program has been rated in Ohio's Step Up to Quality Tiered Quality Rating and Improvement System as a high-quality learning and development program with a Five Star Rating. A Step Up to Quality Five Star Rating means your child is in a program that has demonstrated the highest level of quality.

2023 - 2024

Starlight Preschool Calendar

August 22nd

Preschool Open House Visitation

Please plan to attend our Preschool Open House from 1:00 – 2:00 PM or 6:00 – 7:00 PM on Monday, August 15th.

Visitation is a time for parents and guardians to meet your child's preschool teacher and visit the classroom. Information will be provided to you regarding preschool guidelines and expectations. You will also be given the opportunity to ask questions and talk with your child's teacher. Preschool students are encouraged to attend this visitation with their parents.

August 24th/25th

Preschool Developmental Screenings – 9:00-11:00 AM or 1:00 – 3:00 PM

Developmental screenings for all students are required by the Ohio Department of Education within 60 days of entrance to the preschool program and annually thereafter. The developmental screening will include speech and language, cognitive, gross and fine motor, and social/emotional/behavioral assessments.

Health screenings for all preschool students are also required by the Ohio Department of Education within 60 days of entrance to the preschool program. Health screenings will be conducted after preschool students begin regular attendance.

August 28th – 30th

Preschool Phase In

The purpose of the phase-in-day is to gradually introduce students to the preschool setting. Your child's teacher will communicate their state date with you.

November 23rd/27th

No Preschool in session

December 25th-28th

No Preschool in session

May 29th

Last regular day for all Preschool Students.

PLEASE REFER TO THE STARLIGHT PRESCHOOL HOME CALENDAR FOR ALL OTHER SCHOOL EVENTS AND HOLIDAYS

EMERGENCY SCHOOL CLOSING ANNOUNCEMENTS

Emergency school closing caused by severe weather or other conditions will be announced on local radio stations. Families may also be notified of school closings or other important announcements via the phone notification system. School closings on consecutive days are announced each day.

OUR SCHEDULE

Students will attend preschool class **Monday through Thursday. Our daily schedule for class is 8:30 AM – 3:00 PM.** School doors open at 8:25 AM. There is no staff supervision until this time. Prior to 8:25 AM, parents are accountable for their child's safety and actions.

ARRIVAL AND DISMISSAL

Preschool drop of time is 8:25 – 8:30 AM. Parents are to pull their vehicle up near the curb in front of the school's main lobby doors where a teaching staff member will meet you and escort your child into the building. All children must remain in vehicle until staff meets and escorts them into the building. Children are never to be dropped off at the curb and enter the building unattended.

Preschool pick-up time is 3:00 PM. Parents are to pull their vehicle up to the curb in front of the main lobby doors and wait inside vehicle for a staff member to walk your child out to your vehicle. Parent is then to secure their child in their vehicle before driving away.

ABSENCES/TARDINESS

Regular and punctual attendance is extremely important to a child's success at school. If your child is going to be absent, you must phone Starlight School (330-339-3577) to notify the school by 9:00 AM. A child returning to school shall be requested to present a note signed by his/her parent explaining the reason for absence. Absent days cannot be subtracted from monthly fees.

PARENT PARTICIPATION/UNLIMITED ACCESS TO THE SCHOOL

The home-school relationship is crucial to student success and is an especially important part of our total program. We will have some special days where volunteers may be needed. When volunteering, you will need to check in at the front office upon arrival. In addition, parents are permitted unlimited access to the school during its hours of operation to contact his/her child, and evaluate the care provided by our program and premises. Visitors at the building between the hours of 8:30 am and 3:00 pm will be announced to the classroom their child attends or to the person they wish to see. The visitor will be asked to wait in lobby until their son/daughter is brought to the office or until the person they wish to see is available. An observation area is available for parents to observe their child in their classroom.

PARENT-TEACHER CONFERENCES

Parents are encouraged to be active participants in their children's education. We are aware that only as we work together are we able to provide the best possible education for each child. Beginning with Open House Visitation in August, and parent-teacher conferences twice a year (fall and spring), parents are actively involved in the education of their children. Please check

the Preschool Calendar for these special dates. If an individual conference is needed with a teacher, or you'd like to visit a classroom, please make an appointment with the teacher. Our teachers are happy to meet with parents; however, it is difficult to have a discussion with a parent at the beginning or end of class time. We thank you for respecting this request.

BREAKFAST/SNACK, LUNCH AND LUNCH MONEY

Your child may purchase nutritious breakfast and lunch meals which will contain items from the following food groups: meat, bread, milk, or fruit/vegetables. New Philadelphia City Schools provide our breakfast and lunch meals. You will receive a monthly menu. It is requested that breakfast and lunch money be sent for the entire week on the first day of the school week. Breakfast and lunch monies can be paid together, but amounts must be identified specifically for breakfast and lunch amounts. Please do not send in any bills larger than \$20.00. We cannot accept checks. The cost of school breakfasts and lunches and any additional extras are provided at the beginning of the school year or upon request.

It is encouraged that parents/guardians of students that attend Starlight School send a snack each day with their child if they choose not to participate in the breakfast program. Also, if you do not wish your son/daughter to purchase the provided lunch, you must send a packed lunch to school with your child. You may send milk or juice with the packed lunch or milk may be purchased at the school separately. ***No sodas/pop or carbonated beverages should be included in your child's lunch.***

FREE/REDUCED LUNCH APPLICATIONS

Applications will be sent home at the beginning of the school year with all students. Please make note that if your family income changes during the school year the application form should be updated. If you qualify for the Free/Reduced Meals, this covers both breakfast and lunch meals.

DIET MODIFICATIONS (ORC - Rule 3301-37-07)

Some students may have special diet modifications and/or restrictions that have been put in place by a physician to ensure that the student is able to manage their food, swallow it safely, and remain healthy. These diet modifications could include thickened liquids, altered food consistencies, etc. To ensure the student's safety at school, we must follow the diet guidelines per the physician's recommendations. A copy of the most recent swallow study (modified barium study) and a prescription form the physician must be on file for your child.

PERSONAL BELONGINGS

Please label all outer clothing such as hats, gloves, boots, and jackets. It is best if children do not bring personal toys or articles to school.

SCHOOL CLOTHING

Clothing should be clean, comfortable, and suitable for weather conditions. Clothing should also be selected which is appropriate for work projects, crafts, learning to self-feed, etc. Please ensure that your child does not wear open toed or open-heeled shoes to school. Tennis shoes

would be most appropriate for the preschool environment. Please select fasteners and clothing suitable for self-care. *An extra set of clothing should be sent into school in case of an accident, please place items in a plastic sealed bag labeled with child's name.*

DIAPERING (OAC Rule 3301-37-12)

Parents of children with IEPs who are in diapers or are working on potty training are required to supply all necessary diapering materials. Materials considered part of the diapering process include Disposable diapers (enough for their child per day), baby wipes, and any necessary diapering topical ointments along with instructions for applying ointment.

REST PERIOD/NAP (OAC Rule 3301-37-03)

Our Preschool is a full-day program (more than five hours), so our students are required to have a rest/nap time of not more than 1 ½ hours scheduled into their school day. Our preschools are provided a rest/nap time within their daily schedule. During this time, the children are provided a quiet personal area with their own individual cot to rest or nap.

PHILOSOPHY

Our philosophy at Starlight Preschool is based on the belief that all children can benefit and learn from developmentally appropriate practice. All children have the ability to learn, and each child is unique with specific interests, experiences, and leaning styles. Understanding these individual differences allows us to provide different strategies so that all children will succeed as learners.

Our learning environment is designed so that children feel a sense of safety and belonging. The classroom space is created so that children may explore, create, experiment, and pursue individual interests. We strive to provide a program that will allow each child to progress as far as possible each school year and rely on input from families to assess our program and set goals for the next year.

We feel strongly that home and school are a preschooler's two most important worlds. If home and school are connected in positive and respectful ways, children feel secure. At Starlight Preschool, we strive to develop a relationship with every family so that we may focus on children's healthy development and learning.

Curriculum

Our curriculum is derived from AEPS-3. It is aligned with the Ohio Early Learning Development Standards. This is our blueprint for planning and implementing a developmentally appropriate program based on theory and research. We use this program as a guide in developing the structure of our day, which includes a balance of quiet/active, small/large group, and child-initiated teacher-directed activities. This activity-based multitiered curriculum helps our professionals support every child's developmental with differentiated instruction to meet their needs so that they may become independent and confident learners.

GOALS

- To provide a quality program using developmentally appropriate practices that meet the individual needs of each child.
- To provide a safe and predictable environment that allows each child to develop a positive self-image, a love for learning, and acceptance for individual differences.
- To develop a positive relationship with families to extend learning at home.

Program Activities

Preschool objectives are best covered through integrated thematic units. These units are cross-curricular and learning outcomes will vary based upon the developmentally appropriate practice. These units will change each month based upon the interests and development of the students as well as the alignment to the Ohio Department of Early Learning Development Standards. Your child's day will include time for large group and small group activities, learning centers, snacks and lunch, nap/rest time, and play time. Daily schedules are posted in individual classrooms and are on file in the school office. Daily classroom schedules are available to parents upon request.

BEHAVIOR MANAGEMENT/DISCIPLINE (OAC 3301-37-10)

- A. A preschool staff member in charge of a child or a group of children shall be responsible for their discipline.
- B. The center shall have a written discipline policy describing the center's philosophy of discipline and the specific methods of discipline used at the center. This written policy shall be on file at the center for review. Constructive, developmentally appropriate child guidance and management techniques are to be used at all times and shall include such measures as redirection, separation from problem situations, talking with the child about the situation and praise for appropriate behavior.
- C. Behavior management/discipline policies and procedures shall ensure the safety, physical, and emotional well-being of all individuals on the premises.
- D. The center's actual methods of behavior management/discipline shall apply to all persons on the premises and shall be restricted as follows:
 - a. There shall be no cruel, harsh, corporal punishment or any unusual punishments such as, but not limited to, punching, pinching, shaking, spanking, or biting.
 - b. No discipline shall be delegated to any other child.
 - c. No physical restraints shall be used to confine a child by any means other than holding a child for a short period of time, such as in a protective hug, so the child may regain control, unless otherwise stated in the child's IEP and/or behavior support plan.
 - d. No child shall be placed in a locked room or confined in an enclosed area such as a closet, a box, or a similar cubicle.
 - e. No child shall be subjected to profane language, threats, derogatory remarks about himself or his family or other verbal abuse.

- f. Discipline shall not be imposed on a child for failure to eat, failure to sleep, or for toileting accidents.
 - g. Techniques of discipline shall not humiliate, shame, or frighten a child.
 - h. Discipline shall not include withholding food, rest, or toilet use.
 - i. Separation, when used as discipline, shall be brief in duration and appropriate to the child's age and developmental ability, and the child shall be within sight and hearing of a preschool staff member in a safe, lighted, and well-ventilated space.
 - j. The center shall not abuse or neglect children and shall protect children from abuse and neglect while in attendance in the preschool program.
- E. The parent of a child enrolled in a center shall receive the center's written discipline policy.
- F. All preschool staff members shall receive a copy of the center's discipline policy for review upon employment.

STARLIGHT SCHOOL'S PRESCHOOL DISCIPLINE POLICY

Discipline techniques will be positive and emphasize the development of self-discipline. Redirection, verbal prompts, modeling, and when needed physical prompts will be used for teaching skills as well as discipline programs. It is our goal to give the child effective techniques to develop self-control. They include:

- Praise for appropriate behavior
- Guiding the child before the problem develops
- Offering reasonable choices to the child
- Ignoring inappropriate behavior whenever possible (not when instances of safety are questionable)
- Redirecting the child to a more appropriate activity
- Reminding the child of the rules and helping the child to choose the way he/she will handle the situation
- Discussing with the child privately about his/her actions and feelings, and discuss other ways he/she could have handled the situation
- Providing an opportunity for "time out" away from the group or situation (sensory room)
- Consulting with the parent or supervisor to discuss alternatives which may involve the development of an individual behavior management program
- Physical prompts with care for their bodies and feelings until they have regained self-control

COMMUNICABLE DISEASE (ORC 3301-37-11)

Preschool staff is trained to recognize signs and symptoms of communicable disease. Charts on communicable disease, hand washing, and disinfecting are posted in each classroom. Should

illness arise, we follow the Ohio Department of Health “child day care communicable disease chart” for appropriate management of suspected illness. When a child become ill at school, he/she is referred to the clinic and made as comfortable as possible until parents or guardians arrive. To be able to return to school after an illness, a child should be free of the following symptoms for at least **24 hours** without use of medication.

- Vomiting
- Diarrhea
- Fever

You will be notified by telephone if your child displays any of the following symptoms at school:

- Elevated temperature and temperature of 100 degrees Fahrenheit or higher
- Unusual spots or rashes
- Severe coughing and/or a whooping sound, causing the child to become red or blue in the face
- Difficult or rapid breathing
- Vomiting
- Diarrhea (two or more times in the same day)
- Yellowish skin or eyes
- Conjunctivitis (pink eye)
- Untreated infected skin patch(es)
- Unusually dark urine and/or gray or white stool
- Sore throat or difficulty swallowing
- Still neck
- Evidence of lice, scabies, or other parasitic infestation

A notice to all parents or guardians will be provided when children within a program have been diagnosed by a physician with a reportable communicable disease.

Communicable Diseases – COVID-19

TuscBDD/Starlight School follows CDC guidelines for quarantine and isolation which includes getting tested if you have symptoms and wearing a mask if you have symptoms, a positive test, or exposure to someone with COVID-19. The CDC updates these guidelines on a regular basis.

TuscBDD/Starlight School will follow CDC recommendations based on the identifies COVID-19 Community Level for Tuscarawas County which consists of the following three levels: Low (Green), Medium (Yellow), High (Red). For levels low and medium, people may choose to mask in TuscBDD facilities, but it is not required (except during quarantine/isolation). If Tuscarawas County moves to a high level of transmission, employees and visitors will be expected to wear a mask indoors when around others, regardless of vaccination status in accordance with CDC recommendations. Throughout the pandemic exceptions to masking have been shared by the CDC and other health agencies. One such exception allows the removal of a mask when it

impedes instruction or the delivery of therapy services. Therefore, if masking is problematic, staff do have the opportunity to remove it. This is a decision that we allow staff to make as some staff may feel more comfortable wearing a mask due to the current high level of transmission. Employees are expected to honor all requests from coworkers, families, students, providers, or community members if they prefer a mask be worn during their interaction.

Healthchek

Parents and Guardians are provided with the Healthchek Early and Periodic Screening, Diagnostic, and Treatment services information and fact sheet upon enrollment. Healthchek services are required by the federal government and include comprehensive health and developmental history to assess physical and mental health, screenings for potential health problems – including vision, hearing, and dental screenings.

MILD ILLNESS OR INJURY AT SCHOOL

If your child is displaying mild illness (such as minor cold symptoms) we will practice and promote proper hand washing and implement disinfecting procedures.

Staff members refer student health concerns to our school nurse. In the event of an accident or illness requiring consultation, attempts are made to contact parents. When a parent cannot be reached, an effort is made to contact other persons listed on the Emergency Medical Authorization Form. The Emergency Medical Authorization, which is completed yearly is consulted for parental instructions if medical help must be sought immediately.

IMMUNIZATION

Ohio law requires all children to be immunized or in the process of receiving immunization before they enroll in school. Local Health Departments are responsible for inoculation children whose parents cannot afford to have vaccinations administered by a private physician. The following vaccinations are required for Preschool Children:

- 4 doses of combination Diphtheria, Tetanus, and Acellular Pertussis (DPT or DPaT)
- 3 doses of Polio vaccine
- 1 dose of MMR
- 3 to 4 doses of Hib or 1 dose if given after 15 months of age
- 3 dose series of Hepatitis B
- 1 dose Varicella (Chicken Pox – given on or after 12 months of age)
- Hepatitis A
- Pneumococcal (Prevnar)
- Rotavirus
- Annual Influenza Vaccination

The immunization schedule for preschool is available for print or download through www.cdc.gov/vaccines/schedules/index.html.

Parents should be advised that failure to complete the required immunization in a timely manner (no later than the first day of attendance) is a basis for excluding pupils from school. Re-admittance for child will not take place until proof of immunization is submitted.

Parents may contact the Tuscarawas County Health Department or New Philadelphia Health Department, or their physician to make arrangements for necessary immunization.

ADMINISTRATION OF MEDICINE and FOOD SUPPLEMENT (OAC 3301-37-07)

Rule 3301-37-07 of the Ohio Administrative Code/Preschool Program Licensing Rules specify the requirements for administering medication, food supplement, or modified diet to children in preschool programs in public school or chartered non-public schools:

- The principal and his/her designees are all authorized to administer medication, food supplement, modified diet supplement at school when deemed necessary.
- The school nurse and his/her designee will coordinate the receipt of **written instructions** of a licensed physician or licensed dentist by the completion of a Medication Administration Form (MAR).
- **Written instructions** must be obtained from a physician detailing the name of the drug, dosage, and the time interval the medication is to be taken. A copy shall be on file in the Nurse's Office.
- **Written instructions** must be obtained from a physician detailing the nature of the child's dietary need, the reason this need prevents the child from eating the regular school meals/snacks (including foods to be omitted from the child's diet), the specific modified diet prescription along with the needed food substitution and/or supplement.
- **Written permission** must be received from the parent or guardian of the pupil requesting the school comply with the doctor's orders, with a statement clearly stating that the school or its personnel will not be held responsible for administering any of the prescribed medication, food supplement, modified diet.
- Medication must be brought to school by an adult in a labeled container.
- Liquid medication shall be the responsibility of the parent and will be administered only at the principal's discretion.
- The Board shall provide secure, lockable storage facilities in each building.
- The school nurse will inform school personnel of potential benefits and side effects of the drug being administered.

- Teachers should make a note in their daily lesson plans which pupils are to take medication and might accept the responsibility to remind the child should he/she forget to administer the medication.
- The employee responsible for administering the medication shall keep a daily record including dosage, date, and time. Parents may request at any time, in writing, a copy of the Medication Documentation Record from the school nurse, preschool director, or preschool teacher.

Schools may not administer over-the-counter medicines unless the Medication Administration Form is completed and signed by the physician and parent. The school nurse and his/her designee will coordinate the receipt of this form.

ENTRANCE REQUIREMENTS

Students ages 3-5 years old who qualify for special needs preschool services as determined by a multi-factored evaluation, may enter the Starlight Preschools integrated preschool program if all the following criteria are met. Typically developing preschool students must meet the following criteria: #2, #3, #4, #5, and #6

1. A multi-factored evaluation has been completed and an Individual Education Plan (IEP) has been written by the IEP Team reflecting at least two areas of delays.
2. A current physical is on file at the school.
3. Must present a birth certificate or comparable certificate.
4. Must have the necessary immunizations that are mandated by the Ohio State Board of Health. (See immunizations page).
5. Must present proof of residency in Tuscarawas County in the form of a current utility bill, rental or purchase agreement, or notarized letter from a relative.
6. Must have current emergency medical information on file.

Admission of students into the preschool program is based on available space in each classroom. As stated above, students with special needs will be placed based on IEP team decision. Typical students will be placed per preschool principal's discretion and based on compliance with criteria above. Should a classroom become full, a waiting list will be started which will be good until March of that school year. Withdrawal of a student from the program by either the parent or school principal results in loss of placement for the student. However, the student may be added to the waiting list if mutually agreed upon by parent and school principal.

Fees

The cost of attending our full day program is \$15.00 per day of scheduled attendance for typical students. Monthly payment is due the first of each month. Checks should be made payable to: TuscBDD. Questions regarding fees may be directed to Starlight School Principal, Mrs. Lawver.

REGISTRATION, ENROLLMENT, WITHDRAWAL

Preschool enrollment forms are located on TuscBDD's website. Additional forms will need to be completed during the orientation process. Ohio law requires that the parent present the child's birth certificate at the time of enrollment. The following documents may take the place of the birth certificate: (1) a passport or attested passport transcript showing the date and place of birth of the child, (2) an attested transcript of a birth certificate, (3) an attested transcript of a baptism certificate or other religious record showing date and place of birth of the child, (4) an attested transcript of a hospital record showing the date and place of birth, (5) a birth affidavit.

School records cannot be release without a parent's signature. Parents of students transferring or withdrawing to any other school are asked to notify the school office.

If you move, get a new home or business phone number, or wish to change persons to be contacted in the event of an emergency, please submit these changes in writing to the school office.

CUSTODY-DIVORCE DECREE, PROTECTION ORDER

If you have any legal papers regarding custody of your child, please provide the school with a copy. WE cannot provide protections beyond the law. If we do not have such papers, we must assume that rights are extended to all parents/guardians. If we have the legal paperwork, we will then follow the most recent court decisions. This is very important for the safety and concern of all.

STUDENT RECORDS

Parents may request, in the presence of a school official, to view a child's cumulative records file to verify, amend, or contest the accuracy of the data collected in the student's folder. Either parent of each student shall have access to the student records unless, by court order and previously file with Starlight School, one of the parents has been specifically denied access to said records.

HOW TO OBTAIN INSECTION REPORTS

Inspection records can be found in the office posted on the bulletin board for parents/guardians or other people to view. You may request a copy of an inspection report by coming to the main office and asking the secretary to make you a copy of the document.

FILE COMPLAINTS

If there is a need to file a complaint you must follow the policies set by the Tuscarawas County Board of Developmental Disabilities: Section 1.11 Non-Discrimination Compliant Policy. If the alleged violation is a requirement of the Individuals with Disabilities Education Act (IDEA) or the Ohio Operating Standards for the Education of Children with Disabilities, you should contact the Ohio Department of Education at:

Ohio Department of Education Dispute Resolution Section
25 South Front St.
4th Floor, MS 409 Columbus, Ohio 43215
Or email: OECComplaints@education.ohio.gov

EMERGENCY DRILLS – FIRE, TORNADO, LOCKDOWN AND EVACUATION

Emergency drills are held in compliance with the Revised Code of Ohio. The monthly drills are planned to provide practice at varying times and under differing conditions. Order and speed are stressed during the drill. No talking is stressed during the drill since emergency situations require being able to hear directions given by a staff member. The intent is that the response to the signals for emergency drills will become a routine so that the procedure will be carried out rapidly, automatically, and in an orderly manner, to maximize safety for all occupants of the building in the event of an emergency.

MORE INFORMATION

In the event more information about the preschool is needed, a need to express concerns, or a need to discuss rules and regulations as stipulated by the State Department of Education, please contact Starlight Principal, Mrs. Ashley Daugherty @ 330-339-3577.

Dear Preschool Parent/Guardian:

The 2023-2024 Preschool Parent Handbook contains information concerning the rules and regulations of the Starlight Preschool Program.

Please review the information carefully, sign, and return this page with your packet.

If you have any questions, please contact Mrs. Ashley Daugherty at 330-339-3577.

Thank you,

The Preschool Staff

I have read the preschool handbook and I agree to abide by all of the policies and procedures of the Starlight Preschool Program.
